## Union No. 153, Western Federation of Miners, Endorse Charles A. Sulzer for Re-Election As Delegate to Congress

Sulzer, Alaska.  
October 14, 1918.

The following resolution was unanimously adopted by the Sulzer Miners' Union, No. 152, I. U. of M. M. & S. W., at a regular meeting held at the Jumbo Mine, Prince of Wales Island, Alaska, October 14th, 1918:

Whereas, Hon. Chas. A. Sulzer, candidate for re-election to the office of Delegate to Congress from Alaska, has for many years and at all times demonstrated, by speech, attitude and action, his unswerving support of those measures most strongly advocated by organized labor, including the eight hour day, fair wages and the square deal in all things, and

Whereas, during his incumbency of office of Delegate from Alaska, he has succeeded in winning that confidence of the leaders of the Administration in Washington, which we consider so vital to the successful administration of the office of Delegate, and has worked in entire harmony with the department heads and others who have control over the affairs of Alaska at the National Capitol, and

Whereas, He has, by his courteous and devoted attention to all communications sent him by the people of Alaska, no matter of what station, and by his unceasing labor for the passage through Congress of those laws which are designed to really promote the welfare of the MINERS, the FARMERS and the LABORING MEN of Alaska has shown his true interest in all Alaskans, individually as well as collectively, and

Whereas, He has been enthusiastically and wholeheartedly patriotic in his attitude towards every activity of the Government in the prosecution of the war,

Now Therefore, Be It Resolved, by the Sulzer Miners' Union, No. 152, I. U. of M. M. & S. W., that we do extend to Mr. Sulzer our hearty support in his campaign for re-election and do urge all those who are true friends of labor in Alaska to rally to his support to the end that Alaska may again be represented in Congress by a clean, patriotic, capable and devoted citizen of the Territory.

The Sulzer Miners' Union was regularly organized as a branch of the Western Federation of Miners, July 15, 1907, at Ketchikan, Alaska.

THOS. BUTLER, President.  
H. R. RAFFELCAN, Secretary.
